Bring this completed form to registration @ 8:30am, July 23rd, 2016!

ADULTS

1. Round Bale Roll.

The entire team rolls a big round bale of hay across the ring and back.

2. Get Dressed for Work.

Contestants must run to the closet (a chair in the center of the arena) and put on a series of clothing items. Once dressed in all the clothing, they must run to the "barn" or finish line. All clothes have to cross the line with the contestant. If anything falls off it has to be picked up and put back on before finishing.

3. Feed the Hogs.

In this event, contestants grab a bucket, run to a container filled with corn and fill it up. Then they run to a gate, open the gate and go through, then close the gate so the hogs don't get out and dump their bucket of corn into a trough (another bucket). If they don't manage to get to the trough with enough corn to fill it they have to go back to the container for more corn. One bucketful of corn is enough to fill the trough bucket, IF they fill the bucket full and don't spill any getting to the trough.

4. Gather the Eggs.

This one's pretty self-explanatory. Five eggs have to be picked up and carried in a small basket over the finish line. There is a 5 second penalty for each egg dropped.

5. Nail Hammer.

Contestants must hammer 5 nails through a board. A 10 second penalty will be given for any bent nails.

6. Feed the Cows.

In this event, contestants have to pick up a small square bale, carry it across the "barnyard" and throw it over a gate. They then have to proceed through the gate, closing it so the cows can't get out and then place the bale in a "bunk" (a square marked on the ground). With the cows "fed" they then have to go back through the gate closing it completely and finally, race back to the finish line.

7. Wheelbarrow Race.

While one contestant rides another pushes the wheelbarrow around an obstacle course. While there are no penalties given for spilling the load, just the act of up-righting the wheelbarrow and reloading adds time.

8. Tractor Tire Flip.

This event is for the entire team. A tractor tire must be flipped end over end (not rolled) across the ring.

Children

1. Balloon Pop;

All contestants will have a blown up balloon tied to their ankle. Object of the game is to be the last one with a balloon not popped. Play area is made smaller as more balloons are popped. Once your balloon is popped you are eliminated and must leave the ring.

2. Chuck the Chicken;

Object of this game is to throw a rubber chicken the farthest.

3. Dizzy Lizzy;

Participants place their foreheads on the end of a bat that sits on the ground. Participants have 20 seconds to spin around in a circle. The person with the most spins is the winner.

4. Bubble Trouble;

Contestants must eat their way through a plate of whipped cream to find a piece of bubble gum then be the first person to blow a bubble. Hands cannot be used in this event.

5. Sack Race;

Pretty self- explanatory. First person to cross the finish line is the winner. You may only hop, so if you fall you have to get back up and finish, you may not crawl across the finish line.

6. Egg and Spoon;

Contestants must race across the ring while carrying an egg on a spoon. If you drop the egg you may pick it up and put it back on your spoon but you may not at any time hold the egg while it is on the spoon and you are racing. A 5 second penalty will be awarded for each time you drop your egg.

7. Get dressed for School;

THE BUS IS HERE SO HURRY UP AND GET DRESSED!!! Contestants must race across the ring to a pile of clothes, put all items on then race to catch the "bus". Don't let anything fall off or you will have to stop and put it back on and you might miss the "bus". Fastest time to finish line wins!!
